A RESOLUTION ESTABLISHING A SERVICE FEE FOR 2018 FOR SOLID WASTE FACILITIES, ASSESSING THE FEE ON REAL PROPERTY, AND ESTABLISHING THE MANNER OF COLLECTION OF THE SOLID WASTE FEE

WHEREAS, K.S.A. 65-3410, as amended, authorizes a schedule of solid waste fees to be imposed on real property within a county; and

WHEREAS, K.S.A. 19-101a grants Home Rule powers to the County to enact nonconflicting laws on the same subject matter as state laws; and

WHEREAS, it is deemed in the best interest of Marion County, Kansas, for solid waste disposal fees to be imposed on all real property within Marion County on which solid waste is or may be generated. Such fees shall not be for purpose of collection of solid waste or its transportation to a solid waste facility.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MARION COUNTY, KANSAS:

Section 1. The following definitions shall apply throughout this Resolution:

“Business” shall mean any building, structure or place, whether in commercial, industrial, institutional, governmental or other non-residential use, that generates or may generate solid waste.

- a. Each hotel or motel shall be a business.
- b. A retirement home without independent living units shall be a business.
- c. Home occupations or other home-based businesses shall be businesses upon determination by the County Sanitarian that the generation of solid waste by such use routinely exceeds the volume of solid waste generated by similar nearby residences.
Note: If a business is in a separate building from the home, then a \$132.00 Commercial Fee and an \$81.00 Residential Fee will apply.

“Collection fee or charges” means any fees or charges imposed by solid waste collectors, public or private, for providing the service of collection of solid waste at the site of its generation, and transportation of such waste to a solid waste facility.

Such assessment shall be utilized to pay for the costs associated with the handling of solid waste at the Marion County transfer station or any other solid waste facility designated by the Board of County Commissioners, and for the costs of transportation to and final disposition at a disposal area. The

“Person” means any individual, firm, trust, partnership, company, association, corporation, institution, or government department or agency.

- a. Each manufactured home/mobile home shall be one residence.
- b. Each of the living quarters in an apartment building shall be one residence, provided however, that each living quarter in an apartment building or other multi-family residential structure that: (1) has 10 or more living quarters, (2) uses a dumpster or other common solid waste collection system, and (3) is operated by a public housing authority shall be assessed at one-half the assessment for residences as set out in Section 2.a of this resolution.
- c. Each independent living unit in a retirement center shall be one residence.

“Sewage” means sewage as defined by K.S.A. 65-164, which includes any substance that contains any of the waste products or excrementitious or other discharges from the bodies of human beings or animals, or chemical or other wastes from domestic, manufacturing or other forms of industry.

Businesses that generate more than one (1) unit of solid waste, as the result of more than one dumpster collection per week, shall be classified, assessed and billed as follows:

<u>Classification</u>	<u># of Units</u>	<u>Annual Assessment</u>
A	1	\$132.00
B	2	\$264.00
C	3	\$396.00
D	4	\$528.00
E	5	\$660.00
F	6 or more	*

*The annual assessment for any business that generates six (6) or more units of solid waste per week shall be fixed by the Board of County Commissioners.

Section 3. The County Sanitarian or his or her designee is hereby authorized to determine the number of units of solid waste each business generates above the one (1) unit minimum, by contacting the City Clerk if collection is by municipal waste collection service or the private collection service if otherwise, to determine the number of two (2) cubic yard dumpsters serviced at each business and the number of times per week the solid waste is collected. The County Clerk shall then impose the proper solid waste assessment fee on the real property of each business as provided herein.

Section 4. All solid waste assessments shall be collected on an annual basis, and shall be billed with the ad valorem property tax statements. Owners of tax exempt real property on whose property solid waste is generated shall be sent a notice of assessment by the County Clerk at the same time that the ad valorem property tax statements are issued.

Section 5. Solid waste assessments which accompany the ad valorem tax statements are for the calendar year – January 1 to December 31 – following the year in which the solid waste statement is dated and mailed. For example, the assessments mailed in the last quarter of the year 2017 are for the calendar year 2018. Solid waste assessments are due and payable at the office of the County Treasurer at the same time that the general property tax bill is due and payable. Delinquent solid waste assessments shall be subject to the same penalties, interest, and procedure and sale in case of delinquency as provided for ad valorem property taxes. All laws applicable to the levy, collection, and enforcement of County ad valorem property taxes shall be applicable to solid waste assessments.

Section 6. Refunds for solid waste assessments may be authorized for the current year and the year immediately preceding. Should it be verified by the County Clerk or her designee that a business has been under-assessed, Marion County may collect the proper fee for the current year and the preceding year from the owner of real property on which the solid waste was generated. The services of the County Sanitarian may be utilized to assist in verification.

Section 7. If at any time prior to the mailing of the solid waste assessments, a real property owner on whose property solid waste is generated believes that a classification error has occurred, such owner shall supply the County Clerk or her designee with a verified application for re-classification. Upon review of and agreement with the request, the County Clerk or her designee shall re-classify the subject property and certify to the Marion County Board of Commissioners the correct classification and assessment.

Section 8. For new residences or businesses, solid waste assessments shall go into effect at a time and rate set by current resolution.

Section 9. In accordance with K.S.A. 65-3410, the County Clerk or her designee shall cause to be mailed annually a schedule of the solid waste assessment fees to each owner of real property on which solid waste is or may be generated in Marion County. Said schedule of fees may be mailed with the annual solid waste assessments.

Section 10. In accordance with K.S.A. 65-3410, on or before September 30th of each year the Board of County Commissioners shall prepare a report of delinquent owners of real property on which solid waste is generated.

Section 11. This Resolution shall be effective from and after its adoption by the Board of County Commissioners. The County Clerk is hereby authorized, ordered and directed to cause publication of this Resolution one time in the official County newspaper.
